

CARING FOR CHILDREN...A COMMUNITY RESPONSIBILITY

# MESSAGE FROM THE PRESIDENT AND EXECUTIVE DIRECTOR

The rate of change and demands placed upon the child welfare sector remain onerous and challenging for both the field and the Children's Aid Society of the District of Thunder Bay to manage and integrate into service delivery.

Provincially, the field has responded to multiple initiatives, including an expansion of the child welfare mandate, introduction of the Child, Youth and Family Services Act, and funding reductions. The sector also issued a public apology to Indigenous families, children and communities for its role in cultural assimilation.

Locally, the Society has supported the work of the sector by participating on multiple service initiatives including but not limited to the Ontario Association of Children's Aid Society's Strategic Councils and the Shared Services initiative.

The Society also implemented the Child Protection Information Network (CPIN) in June 2017, a dedicated child welfare database linking child welfare agencies. The investment in human and financial capital was taxing and onerous. While appreciative of the Ministry of Children and Youth Services funding, the real costs associated with implementation and sustainment far exceed the allocation. Our Society as well as our provincial body continue to press the government for additional funding in order to address this funding gap.

Following an extensive consultation process the Society also introduced a new multi year Strategic Plan. Special thanks are extended to the Board of Directors, staff, youth, service recipients, community stakeholders as well as agency caregivers and volunteers for your important and insightful feedback. Your reflections were integrated into the Strategic Plan, significantly enhancing its content as well as establishing a concise road map for service delivery over the next five (5) years.

The Society also launched its Integrated Service Delivery Model predicated on the belief that realignment will ensure enhanced consistency, decision making and communication, all of which will provide better outcomes for those we proudly serve

Tragically, the Society also lost Mr. Jim Murray a dear friend and esteemed colleague who provided legal services to the organization for three decades. Mr. Murray left a legacy of professionalism and honour that will serve as a benchmark for the legal services going forward. Mr. Kevin Cleghorn is also acknowledged and thanked for competently and professionally assisting the organization during the transition period.

The Society is also fortunate to be guided by a dedicated and committed Board of Directors. A special acknowledgement to the Board Executive, and to our most recent members Mr. Adam Shaen, Ms. Rosemary McNabb, Ms. Nataly Yousif, Ms. Sandra Beaulieu and Mr. Steve Lavery. The Society would also like to extend its best wishes to outgoing Board members, Past President Dr. Donald Kerr, Mr. John Clack, Mr. Jim Howie and Ms. Miriam Cohen for their dedication to the organization and the children, youth and families of our community.

The Society and Board also acknowledge the commitment of staff, volunteers and our foster, kinship and adoptive parents who pledge themselves to bettering the lives of children, youth and families. It is through these committed individuals that the Society achieves its Vision, Mission and Values of protecting and enhancing the lives of children.

We also thank our community colleagues, Dilico Anishinabek Family Care, Tikinagan Child and Family Services, the City of Thunder Bay and the Ministries of Children and Youth Services and Community and Social Services for their partnerships in supporting the important work of the Society.

Thank you.

Mr. Roger Lepage Board President Mr. Brad Bain Executive Director

### IN MEMORY OF JIM MURRAY

In Remembrance of James (Jim) Lewis Murray who passed away unexpectedly on January 16, 2018. Born in Fort William, Jim studied law in Toronto and then returned to Thunder Bay to practice law. He sat as a Deputy Judge in small claims court, lectured at Lakehead University and spent three decades serving the Children's Aid Society of the District of Thunder Bay and Dilico Anishinabek Family Services.

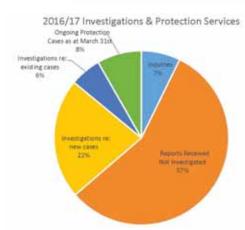

Jim will be greatly missed but never forgotten.

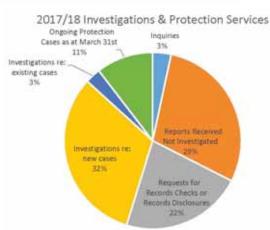

The Legal Meeting Office has been dedicated in honor of Jim Murray. A portrait and plaque will be hung in his memory.
